

The countdown is on...

Welcome back to the new school year!

Help inspire your girls with a career in IT. Girls infrequently state an IT career as a realistic achievement for them. You can't dream about what you don't see - we give them something to see, get excited about, aspire to.

Go Girl, Go for IT is a **fun and free** IT career showcase. It's for all Victorian school girls from **years 5 – 12**, hosted every 2 years by the Victorian ICT for Women network. That means if you miss out, you have to wait two more years to make a difference in someone's life. This event showcases the incredible range of vocational avenues available in IT to young school leavers, to inspire our girls.

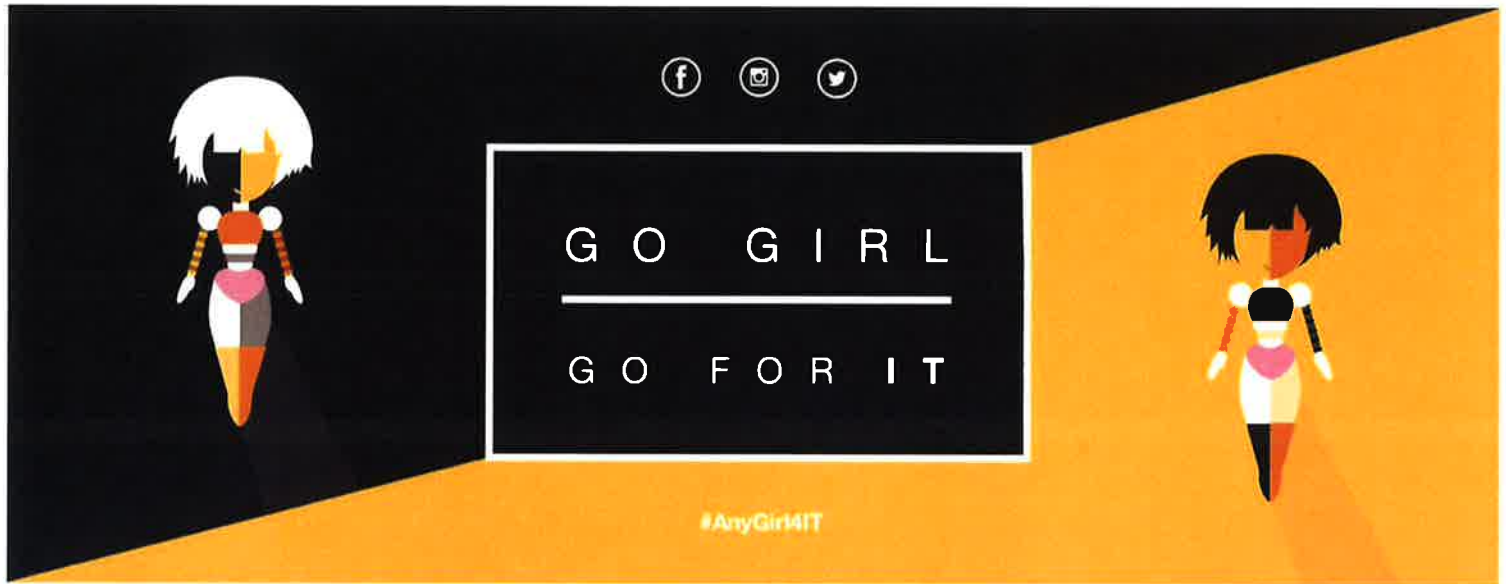

It's absolutely free for you! Our generous sponsors pay for the bus which comes to your school, collects you and the girls and brings you to the event. They're even generous enough to bring you back - no matter where in Victoria you are!

Register your interest now! See the end of this letter for details how.

Who should be attending?

- Girls studying IT at your school
 - Girls who might be interested in IT
 - Girls who are not currently interested in IT
-

When and Where: Thursday 16th August, 2018 at Deakin University, Burwood Campus

To register your interest in the next Go Girl event, please email us at: schools@gogirlgoforit.com and include:

1. Your school's name
2. Contact Name, phone number and email address
3. Approximate number of attendees

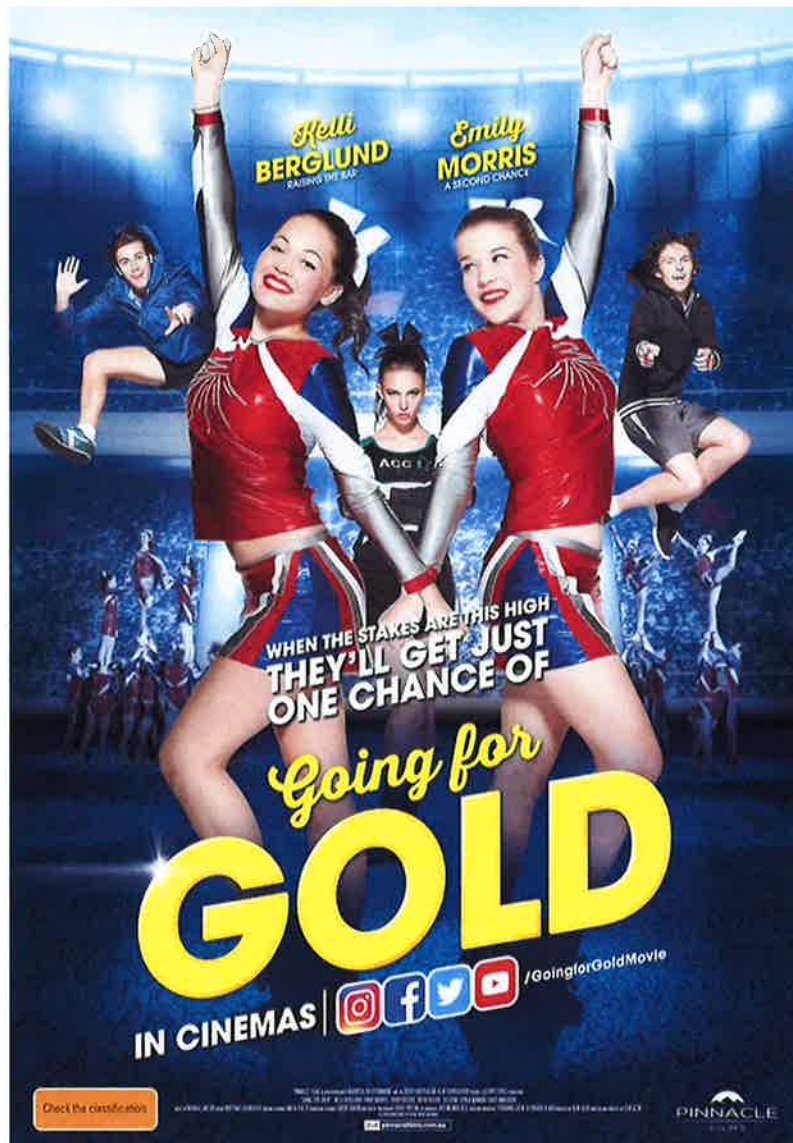

Our venue is reaching capacity. Don't let your girls miss out!

Kind Regards,
Megan Iemma, Schools Liaison Stream Lead
